

Century Group

Provides HDPE Spill Containment Pans for Shortline Railroad

Century Group Inc. provided HDPE spill containment pans for a shortline railroad operation at their locomotive fueling facility. This facility services not only this shortline railroad but also mainline railroad locomotives. For more information on [railroad spill containment systems](#) to fit your project needs contact railroad@centurygrp.com, 1-800-527-5232, Ext. 118 or visit www.centurygrp.com.
