Century Group Attends

Southern Region Highway/Rail Safety Conference

May 28, 2009 – Sulphur, LA - **Century Group** attended the 2009 Southern Region Highway/Rail Safety Conference held in Tunica, Mississippi. “This conference is always well attended and very beneficial for Century Group in reference to our concrete railroad grade crossing product.” stated Jerry C. McCombs with the Century Group. The conference is attended by various Class I and shortline railroads, railroad contractors and state highway transportation officials. Century Group is the leading supplier of railroad/highway grade crossing panels to railroad user groups across the U.S.

For more information on Century Groups Inc.’s **railroad spill collection pans** or **concrete railroad grade crossing**, contact railroad@centurygrp.com, call 1-800-527-5232, Ext. 118 or visit www.centurygrp.com.
