

## Century Group

### Designs Precast Concrete Sign for Church Campus

Century Group Inc. recently designed, manufactured and delivered a custom precast sign for Christ Community Church in Lake Charles, Louisiana. The concrete sign featured cast in letters and the church logo. Vinyl letters depicting the church's internet address were attached to the bottom of the concrete sign. The Christ Community Church sign featured a cast concrete footing which was anchored to concrete piers to prevent settlement and protect from hurricane force winds. For more information on Century Groups Inc.'s precast concrete signs and other precast concrete products, contact [concrete@centurygrp.com](mailto:concrete@centurygrp.com), call 1-800-527-5232, Ext. 165 or visit [www.centurygrp.com](http://www.centurygrp.com).
