

Century Group Attends House-Hasson Event

Recently Century Group Inc., represented by Larry Pecar and Mark Cutlip, attended the House-Hasson “Smoky Mountain Autumn Fest: Dealer Market” which was held in Sevierville, Tennessee. House-Hasson is America’s largest independent regional hardware distributor with over 100 years of experience in the hardware industry. Century Group with over 75 years of experience in the manufacture and delivery of precast concrete steps displayed its concrete steps, handrails, post piers, parking curbs and other Century precast concrete products.

Century Group’s Mark Cutlip stated, “We were pleased to be able to participate in this years Smoky Mountain Autumn Fest networking with the House-Hasson representatives and other vendors. It is a privilege and great opportunity for Century Group to be a part of the House-Hasson team and market our line of precast concrete steps, handrails and other concrete products.”

For more information on Century Group Inc.’s full line of precast concrete steps, contact steps@centurygrp.com or call 1-800-527-5232, Ext. 110.
