

Utility Markers Provided By Century Group Inc.

Century Group Inc. manufactured, and delivered precast concrete utility markers to CESCO for a project at the DuPont Refinery in LaPlace, Louisiana. The precast utility markers were manufactured in large 18" x 18" x 4" reinforced concrete blocks with graphics engraved in the top of the markers. Each marker depicted the direction of the electric cable using arrows. The type of utility line was engraved "Underground Electric Cable" along with a warning "Danger" engraved in red.

Century Group is the leading manufacturer of precast concrete utility, and aviation markers providing

custom sized, and graphics to meet your projects distinct requirements. For more information on precast concrete utility, aviation, and right-of-way markers email the Century Group Precast Products Division or call 1-800-527-5232, Ext. 165.
