

Century Group Supplies Concrete Closed Riser Stair Tread for Multi-Housing Complex

Century Group Inc. has continued being the leading manufacturer of precast concrete closed riser stair treads in the U. S. Century provided state-of-the-art closed riser stair treads to an apartment complex in Westlake, Louisiana managed by Redd Properties, L.L.C. The concrete stair treads were manufactured in 42” and 44” widths to replace the original stair treads in the apartment complex.

Century National Manufacturing Manager, Rob Robinson, commented, “We specialize in manufacturing concrete open and closed riser stair treads and the step industry provides us the ability to deliver the highest quality products at a reasonable price and on time.” The Century closed riser stair treads are designed to meet International Building Codes (IBC) and International Residential Codes (IRC). Century Group Inc. sets the standard for safety, value and quality in precast concrete stair treads for multi-family units nationwide. For more information on Century Groups Inc.’s precast concrete stair treads and steps for educational, health care, governmental and multi-family facilities, click on the link to email the Century Group Steps® Division or call 1-800-527-5232, Ext. 110.
