

OSHA STAR WORKSITE

Precast Concrete Sign

Congratulations on becoming an OSHA Voluntary Protection Program STAR Worksite. This monumental award was achieved because of the total commitment of management and all employees of your company. Many hours of hard work and sacrifice has created a safer and healthier workplace and your company should be very proud of this achievement.

It's important to inform your local community of the hard work, determination and professionalism portrayed by your employees in becoming an OSHA VPP STAR Worksite. One way to convey this message is with a Century precast concrete VPP sign in front of your facility educating the public of this great achievement. This aesthetically pleasing monument will not only inform the public but will also pay homage to the committed employees each time they travel to and from their safe worksite.

Your Company Name
OSHA STAR WORKSITE

The Century precast sign is manufactured out of 5,000 p.s.i. steel reinforced concrete that will last a lifetime. The Century VPP concrete sign features the OSHA VPP logo and STAR Worksite graphics along with your company's logo and name. Your company name and logo can be cast into the concrete with colors to meet your specifications.

A TRUE MONUMENT TO THE COMMITMENT AND ACHIEVEMENT OF YOUR COMPANY!
